THIS AGREEMENT, dated July 24, 2018, between the City of Grand Island (hereinafter referred to as the "City"), and Nebraska Public Employees, Local 251 of the American Federation of State, County, and Municipal Employees, AFL-CIO (hereinafter referred to as the "Union"). The provisions of this agreement shall be effective October 1, 2018.

PURPOSE AND INTENT OF THE PARTIES

The purpose of the City and the Union entering this labor agreement is to promote harmonious relations between the employer and the union, the establishment of an equitable and peaceful procedure for the resolution of differences, and the establishment of rates of pay, hours of work, and other conditions of employment.

ARTICLE I - RECOGNITION

A. BARGAINING UNIT

The City hereby recognizes the Union as the sole representative of those full-time non-supervisory employees in the following departments and divisions:

- 1. Department of Public Works
 - a. Street and Transportation Division
 - b. Fleet Services Division
- 2. Department of Parks and Recreation
 - a. Parks Maintenance Division
 - b. Cemetery Division

The City shall not enter into any agreement with employees in the bargaining unit, individually or with any portion of the union or groups of individuals, relative to wages, hours, terms or conditions of employment.

B. CLASSES OF EMPLOYEES

Only employees with regular status in the classifications listed below are eligible for representation by the Union:

Maintenance Worker – Cemetery Maintenance Worker – Parks Maintenance Worker – Streets Senior Maintenance Worker – Streets Equipment Operator – Streets Senior Equipment Operator – Streets Fleet Services Mechanic Horticulturist Traffic Signal Technician

ARTICLE II - HOURS OF WORK

A. SCHEDULES OF WORK

The City shall establish the work week, work day, and hours of work. The work week, work day and hours of work may vary according to the special requirements of any division or program. Work schedules shall be arranged, to the extent possible, with five consecutive work days followed by two consecutive days off. A two-week notice will be given to union members if the work schedule will be changed to reflect less than 80 hours in a two-week pay period. Hours will not fall below 76 in a two-week pay period. This policy will only be in effect for the duration of this contract.

B. LUNCH PERIODS

The City shall establish the lunch periods. A meal allowance of \$10.00 shall be granted for all employees if they are required to work two (2) hours overtime consecutively with their normal working hours during an emergency situation, and if such overtime would normally interfere with and disrupt the employee's normal meal schedule.

Nothing in this section shall prohibit the City from exceeding the amount of this allowance or consecutive hour requirement in providing an allowance for emergency situations within the parameters set by the Local Government Miscellaneous Expenditures Act.

For purposes of this section, "emergency situation" shall mean those times when the City determines the employee's presence is needed at work due to weather conditions (i.e. snow storms, sandbagging, severe windstorm or tornado, etc.) or other unforeseeable events.

C. CHANGES IN WORK SCHEDULE

All changes in work schedules, except in cases of emergency and unexpected special activities or events, shall be posted for all to see at least two days before the change is effective.

Permanent full-time employees normally assigned to a work schedule commencing between 4 a.m. and 11 a.m., who are temporarily assigned to a work schedule commencing before 4 a.m., or after 11 a.m., shall receive a shift differential of \$0.25 per hour added to the base hourly rate for the hours worked during such temporary assignment.

D. REST PERIODS

Employees shall be granted a 15-minute rest period during the approximate middle of each one-half (1/2) work day, provided however, that the granting of such rest periods shall be at such times as are the least disruptive of work in progress. If during emergencies or other similar situations it is not feasible to grant any such rest periods, employees shall not receive pay or additional time in lieu thereof.

E. OVERTIME AND COMPENSATORY TIME

- 1. All officially authorized work performed in excess of forty (40) hours a week, shall be compensated for at the rate of one and one-half (1½) times the excess hours worked. The compensation shall be in either compensatory time or cash payment. For the purposes of this section, the term "day" shall mean the period of time from the scheduled start of the workday to the scheduled start of the next work day.
- Overtime and compensatory time for work shall be accrued and compensated for in one-tenth (1/10) hour units.
- 3. This article is intended to be construed only as a basis for overtime and shall not be construed as a guarantee of hours of work per day or per week. Overtime shall not be paid more than once for the same hours worked.
- 4. For purposes of calculating eligibility for overtime, "hours worked" shall include actual hours worked. Any payment for time not actually worked (leave time) shall not count towards the calculation of overtime with this exception; should an employee be called to emergency service which requires 12 hour shifts due to severe weather and a holiday occurs in the same pay period, the holiday hours will be counted as hours worked for the calculation of overtime. Personal days are excluded.
- of one and one-half (1 ½) times the actual hours worked in lieu of the payment of overtime. Employees may accrue a maximum of one hundred twenty (120) hours of compensatory time (80 hours of actual hours worked). The compensatory time off shall be taken at a time mutually agreed upon by the employee and his/her supervisor, but must be taken by the last full pay period in March following the end of the calendar year in which it is earned; compensatory time remaining at the end of this period shall be paid for in cash. However, the employee retains the right to cash out his/her compensatory time at any time. It is understood that the usage of the compensatory time is to be requested just like annual leave, and may be denied as may any other annual leave.

All compensatory time must be recorded through the City's payroll system. Compensatory time kept by individual employees or their supervisors will not be recognized and is prohibited.

F. STAND-BY DUTY

- 1. The City may assign employees to stand-by duty for handling trouble calls on other than the normal workday.
 - a. The stand-by duty work week will run from Monday at 5 p.m. to the following Monday at 8 a.m.
 - b. The employee assigned to this duty shall call upon the assigned supervisor for additional employees when such employee needs help.
- 2. The compensation for stand-by duty will be eight (8) hours at the employee's basic rate of pay as shown on the payroll during the employee's stand-by week. Any work performed on calls during hours, outside of the normal work week, shall be compensated for at the rate of time and one-half. Overtime for employees performing such work on call, including those on stand-by, shall be computed to begin fifteen (15) minutes prior to checking in for the job and to terminate fifteen (15) minutes after checking out from the job.
- 3. The employee assigned to this duty shall be available by telephone at all times under this arrangement. Failure to be available or to make arrangements with another qualified duty employee who will be available by telephone shall make the employee ineligible for stand-by duty compensation for the pay period involved.
- 4. When a recognized holiday, as stated in Article III, Holidays and Holiday Pay, falls during an employee's assigned stand-by work week, that employee shall be granted a compensatory holiday to be taken during the week following the stand-by duty assignment, and at a time approved by the employee's supervisor.

G. CALL-BACK PAY

In the event an employee is called to duty during his or her off-duty time, and such time does not otherwise merge with his or her regularly-scheduled work schedule, such employee shall be paid at the rate of one and one-half (1 1/2) times the employee's base hourly rate times the actual number of hours worked, although the employee shall be compensated for no less than two (2) hours at the enhanced rate. Provided, however, that if the employee called back responds and performs the work from a remote location without reporting to the worksite, he or she shall be compensated as set forth above but the minimum compensation will be one (1) hour instead of two (2).

H. SCHEDULING HOLIDAYS OFF

The scheduling of holidays off shall be done as equitably as possible.

ARTICLE III - HOLIDAYS AND HOLIDAY PAY

ARTICLE IV - PERSONAL LEAVE

Personal Leave Days will be given to employees each year. One will be given in October and must be taken by March 15th. The second Personal Leave Day will be given in April and must be taken by September 15th. In addition to the two personal leave days, the City will provide one annual personal leave day that will be granted at the beginning of the contract year and must be used by September 15th. Personal Leave Days may be taken at any time and may be taken in one (1) hour increments; provided, the time selected by the employee must have the prior approval of the employee's supervisor.

ARTICLE V - VACATIONS

A. ELIGIBILITY

All regular employees are eligible to take vacation leave as it is earned and shall accrue vacation leave in bi-weekly increments as described below. Employees shall not earn or accrue any vacation time during their introductory period. Vacation may be used in hourly increments.

For purposes of this contract, "regular" employees shall include those employees normally scheduled to work at least 30 hours per week throughout the course of the year and who have completed their introductory terms. Credit toward vacation leave shall not be earned while an employee is on a leave of absence without pay.

C. VACATION SCHEDULE

Vacation leave shall be taken at a time convenient to and approved by the Department Director. Vacations may be granted at the time requested by the employee. Each employee shall take a vacation of five consecutive work days each year when eligible. An example would be taking Monday through Friday off or taking Thursday and Friday off the first week and then taking Monday, Tuesday, and Wednesday off the second week.

D. SENIORITY FOR VACATION PLANNING

The Department Director shall grant leave on the basis of the work requirements of the City after conferring with employees and recognizing their wishes where possible. If the nature of the work makes it necessary to limit the number of employees on vacation at the same time, the employee with the greatest seniority with the City shall be given his or her choice of vacation time. The seniority system shall not preclude the taking of vacation at the same time by employees whose work requirements are not inter-dependent, nor shall it interfere with vacation leave previously scheduled.

E. VACATION TIME CARRY-OVER

1. An employee will be allowed to carry no more than the maximum amount of vacation that he or she can earn in one year, plus eighty (80) hours.

- 2. An employee who has carry-over vacation time may utilize the carry-over and the current vacation time authorized during a single calendar year.

An employee who has been separated shall not accrue vacation leave credits after his or her last day physically on the job.

ARTICLE VI MEDICAL LEAVE, BEREAVEMENT LEAVE, AND FMLA LEAVE

A. AMOUNT AUTHORIZED

- 1. Medical Leave. Medical leave shall be credited to all full-time employees as follows:

 - b. For a calendar month in which an employee is paid for less than the full standard hours including paid leave, medical leave shall be awarded on a pro-rata basis.

B. USE OF MEDICAL LEAVE

Medical leave may be used under the following circumstances:

- 1. When an employee is incapacitated by sickness or injury.
- 2. For medical, dental, or optical examination or treatment.
- 3. When an employee is exposed to a contagious disease and attendance at duty may jeopardize the health of others.
- 4. For necessary care and attendance during sickness of a member of the employee's immediate family residing in the same household.

For purposes of medical and bereavement leave, an immediate family member shall mean a child, spouse, parent, grandchild, grandparent, brother, sister, aunt, uncle, and in-laws of the same relation.

- 10. C. USE OF BEREAVEMENT LEAVE

Bereavement leave shall be granted to eligible employees for up to three (3) days per contract year. Any portion of a work day used for bereavement leave shall be considered a full day, which consists of eight (8) hours of bereavement leave. An employee shall be eligible to use up to three (3) days of paid bereavement leave for the death of an immediate family member which includes parents, spouses, children, siblings, grandparents, grandchildren, and in-laws of the same relation. Bereavement leave shall not exceed three (3) days in any calendar year. In addition to the use of bereavement leave as set forth hereafter, medical leave may be granted at the discretion of the Department Director for the death of a member of an employee immediate family because of unusual circumstances. To attend the funeral of someone other than immediate family, an employee shall take vacation leave.

D. PROOF OF ILLNESS

An employee who is absent for more than three (3) consecutive days because of personal illness or that of a member of his or her immediate family or household shall be required to furnish a statement signed by the attending physician or other proof of illness satisfactory to his or her supervisor. The supervisor may require this statement or proof for an absence chargeable to medical leave of any duration.

E. FRAUDULENT USE OF MEDICAL LEAVE

The Department Director or his or her authorized representative may investigate any medical leave taken by any employee. False or fraudulent use of medical leave shall be cause for disciplinary action and may result in dismissal.

F. COMPENSATION FOR UNUSED MEDICAL LEAVE

An employee may accumulate medical leave to a maximum of 1,339 hours. All employees shall be paid thirty-five percent (35%) of their accumulated medical leave at the time of retirement or if an employee dies while still employed full time with the City in good standing. All employees retiring under an early retirement option approved by the Mayor shall be paid thirty-five percent (35%) of their accumulated medical leave at the time of such early retirement. The rate of compensation for such accumulated medical leave shall be based on the employee's salary at the time of death, retirement or early retirement, whichever is applicable. The payout for this medical leave shall go to the employee's Voluntary Employee Benefits Association (VEBA) account.

G. NOTIFICATION OF ILLNESS

If an employee is absent for reasons that entitle him or her to medical leave, the employee or a member of employee's household shall notify the employee's supervisor at least thirty (30) minutes prior to scheduled reporting time. If an employee fails to notify such supervisor, when it was reasonably possible to do so, no medical leave shall be approved. Immediately upon return to work, the employee shall submit a leave form to his or her supervisor. An employee will not receive sick pay if a leave form is not submitted within one (1) working day after the absence.

H. FAMILY AND MEDICAL LEAVE ACT POLICY

Employees shall be covered by the City's Family and Medical Leave Act Policy, as set forth in the Employee Personnel Rules and Regulations or as amended by Federal Law.

ARTICLE VII - MILITARY LEAVE

The provisions relating to military training leave shall be as provided by Nebraska Statutes.

ARTICLE VIII - COURT LEAVE

A. WHEN AUTHORIZED

An employee who is required to serve as a witness or juror in a federal, state, county, or municipal court, or as a litigant in a case resulting directly from the discharge of his or her duties as an employee, shall be granted court leave with full pay to serve in that capacity; provided, however, that when the employee is testifying in other litigation to which he or she is a party, such employee shall not be granted court leave but may use vacation leave or compensatory time, or be granted leave without pay for the length of such service.

B. PROCEDURE

An employee who is called for witness or jury duty shall present to his or her supervisor the original summons or subpoena from the court, and at the conclusion of such duty, a signed statement from the clerk of the court, or other evidence, showing the actual time in attendance at the court.

No employee shall receive witness fees paid from employer's funds. However, fees paid from other sources shall be in addition to, and irrespective of, an employee's regular salary.

ARTICLE IX - LEAVE WITHOUT PAY

- **A**. The provisions relative to leave without pay shall be as follows:
 - 1. Leave without pay may be granted to an employee for any good cause when it is in the interest of the City to do so. A Department Director may grant an employee leave without pay for 30 days time. The mayor may extend such leave for a period not to exceed one year. Any appointment made to a position vacated by an employee on leave without pay shall be conditional upon the return of the employee on leave.
 - 2. Before an employee may request unpaid leave, he or she must first use all eligible leave balances.
 - 3. When leave without pay is requested pursuant to the Family and Medical Leave Act (FMLA) policy, Article VI of this contract shall govern.
- **B.** Leave without pay shall be subject to the following provisions:
 - 1. At the expiration of leave without pay, the employee shall return to the position held prior to such leave.
 - 2. Vacation and medical leave credits shall not be earned during leave without pay.
 - 3. A leave without pay shall not constitute a break in service, but time off will not be credited toward retirement or the accrual of other benefits.
 - 4. Leave without pay during the introductory period shall not be counted as part of that period, but the employee to whom such leave has been granted shall be allowed to complete his or her introductory period on return from leave.
 - 5. Failure to report at the beginning of the next scheduled workday following the expiration of a leave of absence shall be considered resignation.
 - 6. An employee on leave without pay shall be permitted to maintain health insurance coverage under the group policy at his or her own expense during such permitted leave without pay.

ARTICLE X - WORKERS COMPENSATION

A. POLICY

Any employee in this contract who sustains an on-the-job injury compensable under the Nebraska Workers Compensation Act shall receive compensation benefits as allowed under the Nebraska Workers' Compensation law.

B. SUBROGATION

To the fullest extent permitted by law, the City of Grand Island, its insurers, and third-party administrators reserve the right of subrogation because of workers compensation benefits or medical expenses paid or to be paid to or on behalf of any employee who is injured or disabled by a third party, and reserves the right to (i) pursue collection from the employee of any money paid by the third party to the extent of payments by the City, its insurers, and third-party administrators, and (ii) pursue collection from any such third party.

Nothing in this article shall be interpreted to mean that the City shall have the right to initiate civil litigation in the name of the employee against the third party or representative of said party until after receiving consultation and advice of the employee.

C. LIGHT DUTY POLICY

The City may provide light duty work when possible for a defined period of time, not to exceed 150 days, for employees that are injured due to a work related situation. Employees will follow the City's Light Duty Policy. Any employee who does not willingly return to light duty work who is released by a doctor to do so, shall not be entitled to supplement worker's compensation benefits with medical leave. All employees in the City of Grand Island are covered by this policy and therefore are on notice from this date forward, that light duty work shall commence immediately from the date of appropriate medical release.

ARTICLE XI - GENERAL PROVISIONS CONCERNING LEAVE

A. ABSENCE WITHOUT APPROVAL

An employee who is absent from duty without approval shall receive no pay for the duration of the absence, and unless there is a legitimate reason for the absence, shall be subject to disciplinary action. An employee who is absent without leave for three (3) consecutive days is considered to have resigned.

B. LEAVE FORM

Requests for leave must be submitted indicating the kind of leave, duration and dates of departure and return. Requests must be approved prior to the taking of the leave. In the case of an unforeseen Medical leave, the form shall be completed and submitted for approval immediately upon the employee's return to duty. Unless an absence is approved by the supervisor, an employee shall not be paid for any absence from scheduled work hours.

C. COMPENSATION LIMIT DURING LEAVE

While on leave of any nature, the total compensation paid to an employee including salary, wages, workers compensation benefits and leave pay collected from any other party shall not exceed the employee's net take-home pay at the time of the commencement of the leave plus any allowed and approved cost of living increase which commences during the period of leave.

ARTICLE XII - RETIREMENT PLAN AND SENIORITY

A. RETIREMENT PLAN

The City agrees that the employees covered under this agreement will participate in the mandatory retirement savings plan. Employees contribute six (6) percent of gross earning and are matched six (6) percent by the City. Employee eligibility is effective on date of employment. A five (5) year vesting schedule applies.

B. AMENDMENTS

The City reserves the right to change the retirement plan in accordance with mandatory existing and future statutes or federal legislation or regulations.

C. SENIORITY

- 1. Seniority is hereby defined as the employee's length of continuous service in the bargaining unit except as otherwise provided herein.
- 2. Continuous service as used in Section 1 hereof means an employee's total continuous length of service in the bargaining unit without break or interruption; provided, that lay-off of one (1) year or less, any suspension for disciplinary purposes, absence on authorized leave with or without pay, absence while receiving temporary total disability benefits under the Nebraska Worker's Compensation Act, and any absence due to serving as a union officer or official whether elected or appointed, shall not constitute a break or interruption in service within the meaning of this Article.
- 3. After an employee satisfactorily completes his initial introductory period of employment with the City, his seniority shall be effective from the date on which the employee was hired in the bargaining unit.

- 4. A list of employees arranged in order of their seniority as defined herein will be made available for examination by employees upon request by the union.
- 5. Where two or more employees were appointed in the bargaining unit on the same date, their seniority standing shall be determined in the order in which they filed their application for such employment in accordance with the date and time of filing such application.
- 6. Where an employee holds a non-bargaining unit position, he shall retain all seniority earned in all bargaining unit classifications in which he was previously employed. Non-bargaining unit service with the City shall not be construed or considered for the purpose of calculating seniority under the provisions of this Agreement except for those employees who are in classifications which have become part of the bargaining unit.
- 7. An employee whose position is being eliminated through a reduction in force has the option to move into a lower grade position for which they are qualified within the same functional division. Functional divisions are defined as: Streets and Transportation, Fleet Services, Parks, and Cemetery.

ARTICLE XIII - RATES OF PAY FOR WORK PERFORMED

A. PAY PLAN

1. All new employees will normally be hired at Step 1 of the pay grade of their position. However, due to extenuating circumstances, an employee may be hired at a higher step with the written approval of the City Administrator. Employees will remain in each step for at least one (1) year with their performance to be evaluated on the anniversary of the change of status.

Prior to advancing in a step or grade, employees will be evaluated on their performance at least annually. An employee must receive satisfactory performance ratings in order to receive an increase in pay, other than a salary table adjustment. Such adjustments in pay shall be effective on the first day of a pay period falling on or immediately after the employee is eligible for the pay increase.

The bargaining unit shall have 30 days to consider and respond. The parties may agree to adopt such amendment as part of this contract at that time.

The following Appeal Procedure shall apply to the members of this bargaining unit:

Any employee who has satisfactorily completed his/her initial introductory period of employment with the City of Grand Island shall have the right to appeal a suspension or a discharge in accordance with the following procedure:

- 1. Discipline imposed by the Department Director may be appealed to the Mayor not later than five (5) working days following written notification of such discipline.

Each party shall have the right to strike three names from the list of arbitrators as submitted. The employee requesting arbitration shall have the right to strike the first name and the City shall then strike one name with the same process being repeated so that the person remaining on the list shall be the arbitrator.

There shall be no appeal from the arbitrator's decision. It shall be final and binding on the Union, the City of Grand Island, and on all bargaining unit employees.

Authority of the arbitrator is limited to matters of interpretation or application of the express provisions of this Agreement and the arbitrator shall have no power or authority to add to, subtract from, or modify any of the terms or provisions of this Agreement. In the event the arbitrator finds that he has no authority or power to rule in the case, the matter shall be referred back to the parties without decision or recommendation on the merits of the case. The arbitrator shall be requested by the parties to issue his decision within thirty (30) calendar days after the conclusion of the hearing.

Parties selecting the arbitrator shall share equally the arbitrator's expense. Each party shall be responsible for compensating its own representatives and witnesses.

ARTICLE XXIV- SEVERABILITY

If any of the provisions of agreement are subsequently declared by the proper legislative or judicial authority to be unlawful, unenforceable, or not in accordance with applicable statutes or ordinances, all other provisions of the agreement shall remain full force and effect for the duration of the agreement. Both parties shall then meet and attempt to negotiate a substitute.

ARTICLE XXV - SCOPE OF AGREEMENT

A. COMPLETE AGREEMENT
