Annual leave shall not accrue to any employee on any leave of absence, suspension, or lay off.

9.5 The County shall have the right to determine the number of employees that may be on vacation at any one time. No employee may carry over or accumulate more than seven (7) vacation days from year to year.

9.7 Vacation Leave Payment: Employees who leave employment shall be paid for any unused accumulated vacation leave earned, calculated on their current base hourly rate. Pay for the unused accumulated vacation leave shall be in a lump sum in addition to the employee's last paycheck.

9.8 Sick Leave: Full-time employees earn one (1) day of sick leave per month.

9.9 The following conditions are valid reasons that sick leave may be used:

a. When an employee is unable to perform his/her duties because of sickness, disability, injury, or when an employee's presence at work jeopardizes the health of others by exposing them to a contagious disease.

b. When the illness, disability, injury or major surgery of an immediate family member requires the employee's presence. The immediate family shall be considered as: spouse, children, parents, and others bearing the same relationship to the employee's spouse. At the County's discretion, the definition of immediate family may be broadened.

c. When an employee schedules medical, surgical, dental or optical

examinations or treatment, or when the employee must seek emergency medical treatment.

- 9.10 Request for Sick Leave: Sick leave shall be requested in advance when possible. Such request shall be answered within 48 hours. In the case of illness, injury, emergency or any other absence not approved in advance, the employee should inform the first level of supervision outside the bargaining unit of the circumstances as soon as possible. Employees shall make a reasonable attempt to contact their District Foreman thirty (30) minutes prior to the start of the work day. If an employee cannot reach either the District Foreman or the County Commissioner, he shall leave a message for the District Foreman or County Commissioner and they shall return the employee's call either approving or denying sick leave request. The return call shall be made within one (1) hour from the beginning of the work day. An employee shall be required to submit substantiating evidence when the reason for the leave request was a medical or dental appointment. Substantiating evidence shall be required if the sick leave absence exceeds three consecutive workdays.
- 9.11 Sick leave may be denied when the employee fails to substantiate the legitimate use of sick leave.
- 9.12 Sick Leave Bank. Employees may choose to enter the Sick Bank Program within fifteen (15) days of ratification of the contract. Thereafter, they may enter the program the first fifteen days of July each given year.

In order to enter the Sick Bank Program, employees shall sign documents granting three days to the bank each year. All "days" reference in this article shall reflect eight hour days. The purpose of the Sick Leave Bank is to make additional sick leave days available to members of the Bank in the event of a personal unexpected critical illness, surgery, or a temporary disability due to an injury as the balance of Sick Leave Bank may permit. Days may be requested from the Bank only after the member has exhausted all accumulated sick leave days, accrued vacation days and comp time. Sick Bank days may be granted to a member who through an unexpected critical illness, surgery, or a temporary disability due to an injury, is unable to perform the duties of his/her position. In special cases sick leave days may be granted for use with the illness of a family member.

- A. To become a member of the Bank, an employee must contribute three (3) days from his or her accrued sick leave for the year and there will be a one (1) year grace period before the employee can make a request from the sick

leave bank. This contribution shall not be counted against employee when computing sick leave usage.

B. These days will be subtracted from the member's local sick leave record or the first three (3) eligible days if contributing anticipated sick leave.

C. The three (3) days donated become the property of the Nemaha County Roads Department Sick Leave Bank. All donations will remain in force and cannot be returned even upon cancellation of a membership.

D. Employees who terminate their employment with the County forfeit membership in the Bank at the effective date of termination/retirement.

E. Granting of days from the Bank for Members (Injury/Illness for immediate Family) Sick leave days from the Bank will be granted only after the member has exhausted all accumulated state and local sick leave days, accrued vacation days and comp time. Days from the Bank shall be granted only for critical illness, injury, surgery, or other temporary disabilities which necessitates an absence from work or five (5) consecutive days or longer. Pregnancy in general is not covered by the Sick Leave Bank. Complications arising from childbirth will be considered on an individual basis. Members of the Sick Leave Bank are not necessarily entitled to any days from the Bank or a set number of days. The number of days granted, if any, will be determined by a special committee composed of the Nemaha County Board of Commissioners and the Road Department employees, which are participants of the bank. This committee will consider the number of days in the Bank, the number of pending requests and the nature and duration of the illness or injury. Should the committee vote not result in a clear majority, the Roads Department participants shall determine the outcome. Sick Leave Bank days shall be granted only for absences from working days and will not be granted for holidays, vacation days or other such days for which the member is not paid. A member shall only be reimbursed up to the amount actually docked.

F. Limitations. Sick leave days from the Bank may not be granted for the period of disability when monies are paid to the member under the Workers' Compensation Act.

G. Should the member have an unexpected critical illness or injury necessitating the need for additional days after all accumulated state and local sick leave days, accrued vacation days and comp time have been used, the member may submit a request for days from the Bank. Members shall be required to complete an attending physician's statement which includes:

- Identification of the nature of the illness and/or extent of injury and certifying the condition to be a disability to perform the employee's regular assigned duties.
- Date of initial onset of this particular condition.
- Anticipated date eligible to return to work.
- Days, if any, for follow-up examinations. (May be limited)
- If a member is critically ill or unable to file an application for sick leave days from the Bank the supervisor, department head or family member may initiate the application form.

H. To make the bank a more significant benefit for the employees, the Sick Leave Bank has included the immediate family. This necessitates adoption of stricter guidelines to protect the Bank and the County from excessive use of sick leave days.

- Purpose

To provide additional sick leave days for members whose immediate family has suffered catastrophic illness or injury.

- Definition of Immediate Family Immediate family shall include and be limited to the spouse, naturally and legally adopted children, stepchildren and parents.
- To apply for sick leave days the members must follow the same procedures as set forth in illness for the employee.
- All regulations pertaining to the use and issuing of sick leave days will also be applied to the illness or injury of the family member.
- Regulations that pertain to the use of the Bank for members of families:
- The Bank will provide sick leave days to members only after they have experienced loss of five (5) working days relating to injury or illness of family members in the current application.
- The maximum number of days that may be granted to an employee for use with the sickness or injury of a family member is fifteen (15) working days.

I. FINAL DECISIONS Any questions concerning membership, regulations, or application for sick leave days that may arise after adoption of this plan and not specifically covered herein, shall be submitted to the Committee of the Sick Leave Bank, who will make a final decision.

- 9.13 No employee shall have more than 120 days sick leave accumulated on December 31 of each calendar year. Sick leave above 120 days at the end of business on December 31 of each calendar year shall be forfeited. If an employee has maintained the maximum accrual rate for that year and has not used any sick leave during the year, the employee shall receive one (1) personal day which must be used within a one (1) year period or it will be forfeited. Twenty Five (25) percent up to 53 days of the sick leave accrued on the date of separation shall be paid to the employee at the employee's current wage.

In the event a fee for the mediator shall incur, either party may decline the service and proceed to step 4. If either party is not satisfied with the result of non-binding mediation, then within fifteen (15) workdays of receiving the results of the mediation, either party may take the grievance to the next step.

The arbitrator may interpret relevant provisions of this Contract and apply them to the particular case

presented to him/her, but the arbitrator shall have no authority to add to, subtract from, or in any way modify the term of this Contract or any agreements made supplementary hereto. If the parties cannot agree upon an arbitrator, a method of alternate striking of names shall be employed.

- 13.9 The decision of the arbitrator shall be made in writing within forty (40) workdays of the hearing and shall be accompanied by findings of fact and conclusions of law. The findings of fact shall consist of a concise statement of the conclusions upon each contested issue of fact. Parties to the proceeding shall be notified of the decision and order in person or by mail. A copy of the decision and order and accompanying findings and conclusions shall be delivered or mailed to each party.
