GRIEVANCE PROCEDURE

Section 1. Definitions. A grievance is a claim that there has been a violation of a provision of this Agreement, including a determination whether there has been unjust discipline. A Grievant is the party filing the grievance. The term days as used in this Article shall mean work days.

Section 2. General Provisions. The number of days indicated at each step shall be considered a maximum. The time limits specified may, however, be extended by mutual written agreement. The failure of a Grievant to act on any grievance within the prescribed time limits will be an absolute bar to any further appeal and the Employer's failure to give a decision within the time limits shall permit the Grievant to proceed to the next step. Grievants may be represented at any step of the procedure by themselves or, at their option, by a representative of the Union. The failure of the County to act on an employees or unions grievance within the prescribed time limits shall be cause for the grievance to be settled in favor of the employee or the union.

Section 3. Grievance Steps.

Step 1. An employee Grievant shall, within fifteen (15) working days of the occurrence of the alleged grievance, attempt to resolve the matter with his Supervisor.

Step 2. If satisfactory settlement is not reached under Step 1, the grievant or the union shall present the grievance in writing on an approved grievance form (Attachment "B") to the County Board of Commissioners within fifteen (15) working days after attempting to resolve the issue with the supervisor under Step 1. The

Request for mediation shall be made in writing within fifteen (15) working days after the receipt of written response under Step 2. Any cost incurred for the mediator shall be borne equally by both the County and the Union. Meeting with the mediator shall be scheduled, if possible, within the fifteen working day time limits, but if all parties agree in writing, the time limits shall be waived to allow for the mediator's schedule.

Step 4. Within fifteen workdays of receipt of the decision in Step 3, either party may appeal said decision through voluntary binding arbitration.

ARTICLE 25

FAMILY MEDICAL LEAVE/LEAVE WITHOUT PAY

The County complies with the Family and Medical Leave Act of 1993. An employee shall be eligible for leave only if employed with the County for at least twelve (12) months and for at least 1,250 hours of service during the 12 month period before the leave. Part-time or seasonal employees working fewer than 1,250 hours shall not be eligible for leave.

Section 1. When Leave May Be Taken. An eligible employee shall be entitled to up to twelve (12) work weeks of unpaid leave during any twelve (12) month period (based on employee's anniversary date) for one or more of the following events:

- (a) Because of the birth of a son/daughter and in order to care for such child;
- (b) Because of the placement of a son/daughter with the employee for adoption or foster care;
- (c) In order to care for the spouse, or son/daughter, or parent of the employee, if such spouse, son/daughter, or parent has a serious health condition;
- (d) Because of a serious health condition that makes the employee unable to perform any of the essential functions of the employee's position.

Entitlement of leave under subparagraphs (a) and (b) above expires at the end of a twelve (12) month period beginning on the date of the child's birth or adoption. The term "serious health condition" in subparagraphs (c) and (d) above includes any physical or mental condition which involves inpatient care or, when inpatient care is not involved, requires an absence from work of more than three (3)

days and continuing treatment by a health care provider. A “health care provider” includes dentists, clinical psychologists, and nurse midwives who are authorized to practice under state law.

Section 2. How Leave Can Be Taken. An eligible employee may take up to twelve (12) work weeks of unpaid leave all at one time, or in certain circumstances intermittently or on a schedule that reduces the usual number of hours per work week or work day if it is medically necessary to care for spouse, child or parent, or if it is due to the employee’s own health condition. Leave for the birth or placement of a child may not be taken intermittently, and must be concluded within twelve (12) months after birth or placement. If intermittent leave is foreseeable because it is based on planned medical treatment, the County can require the employee to transfer temporarily to an available alternative position for which the employee is qualified, so long as the position has equivalent pay and benefits. The employee shall be required to substitute accrued paid personal and/or sick leave for the family and medical leave provided to them. The County shall provide an additional period of unpaid leave so that the total paid and unpaid leave equals twelve (12) work weeks.

Section 3. Employee Notification Birth/Adoption Of A Child. For leave based upon the expected birth of a child or placement for adoption, the employee shall provide the County with not less than thirty (30) days’ notice before the date the leave is to begin, except that if the date of the birth or adoption requires the leave to begin in less than thirty (30) days, the employee may provide such notice as is practical.

Section 4. Planned Medical Treatments. If the leave is foreseeable and based on planned medical treatment regarding a sick spouse, child, or parent of the employee, or if the planned medical treatment involves the employee, the employee shall make a reasonable effort to schedule the treatment so as to not unduly disrupt

the County's operations. The employee shall provide not less than thirty (30) days' notice for foreseeable leave with no reasonable excuse for delay. The County shall deny leave until at least thirty (30) days after the employee provides notice of the need for leave.

Section 5. Medical Certification. The County shall require that a requested leave to care for a sick spouse, child or parent, or due to the employee's own illness, be supported by a certification issued by a health care provider. If the County should have reason to doubt the validity of the certification, it may, at its own expense, require that the employee obtain the opinion of a second health care provider designated or approved by the County.

Section 6. Restoration of Employment. Upon return from leave the employee shall be restored to the position of employment he/she held when leave commenced. Leave taken shall not result in loss of any employment benefit accrued prior to the date on which the leave began. However, upon returning, an employee is not entitled to the accrual of any seniority or employment benefits during the period of leave.

As a condition of restoration for an employee who has taken a leave due to his or her own illness, the County shall require the employee to receive a certification from his/her own health care provider stating the employee is able to resume work.

Section 7. Maintenance of Health Benefits. The County shall continue group health coverage for an employee on leave at the same level and under the same condition that existed while he/she was working. While on leave the employee shall be responsible to pay any share of health plan premiums which had been paid by the employee prior to taking leave. The County shall have the right to cease the provision of health coverage if an employee's premium payment is more than thirty (30) days late.

If an employee fails to return for reasons other than a serious health condition or circumstances beyond the employee's control, the County shall recover the premium it paid for the employee's coverage during the leave.

Section 8. Administration of Leave. The County shall track employees who are on leave to maintain a record of days used and days remaining on leave. The County shall measure the annual twelve (12) month period for each employee on the basis of his/her employment anniversary date.

ARTICLE 26

ANTI-HARASSMENT

The County is committed to providing a work environment that is free from discrimination and unlawful harassment. Actions, words, jokes, or comments based on an individual's sex, race, ethnicity, age, religion, or any other legally protected characteristic will not be tolerated. As an example, sexual harassment (both overt and subtle) is a form of employee misconduct that is demeaning to another person, undermines the integrity of the employment relationship, and is strictly prohibited.

Anyone engaging in sexual or other unlawful harassment will be subject to disciplinary action, up to and including termination of employment.

The County strongly disapproves of and does not tolerate sexual harassment of any kind. All employees must avoid offensive or inappropriate sexual behavior at work and are responsible for assuring that the workplace is free from sexual harassment at all times, including the duty to report any instances that they believe to be sexual harassment.

The County's policy prohibits: unwelcome sexual advances; requests for sexual acts or favors, with or without accompanying promises, threats, or reciprocal favors or actions; or other verbal or physical conduct of a sexual nature which has the purpose or effect of adversely affecting an employee's performance or which creates a hostile or offensive working environment. Examples of prohibited conduct include, but are not limited to: lewd or sexually suggestive comments; off-color language or jokes of a sexual nature; slurs or other verbal, graphic, or physical conduct relating to an individual's sex; or any display of sexually explicit pictures, greeting cards, articles, or books, magazines, photos or cartoons. Sexual harassment can include derogatory or insulting treatment based on gender and gender-related remarks.

Complaints of sexual harassment will be promptly and carefully investigated, and all employees are assured that they will be free from any reprisal or retaliation

from filing such complaints or participating in the investigations. Any employee who has a complaint of sexual harassment at work by anyone, including Supervisors, co-workers, visitors, clients, or customers, should immediately bring the problem to the attention of the County officials. Employees may bring the complaint to the attention of their Supervisors, or if the complaint involves supervisory personnel in the employees' line of command, the County Clerk.

The investigation will include interviews with all relevant persons, including the complainant, the accused, and other potential witnesses. Employees are assured that the privacy of the complainant and the person accused of sexual harassment will be kept as confidential as possible.

If the investigation reveals that the complaint appears to be valid, immediate and appropriate corrective action, up to and including discharge, will be taken to stop the harassment and prevent its recurrence. If the validity of the complaint cannot be determined, immediate and appropriate action will be taken to assure that all parties are reacquainted with this sexual harassment policy and to avoid sexual harassment in the future.

If you have questions regarding this policy, please contact your Supervisor or Department Head.

ARTICLE 27

WORKERS' COMPENSATION

Section 1. If you are injured on the job, you will be covered under Workers' Compensation Laws. Workers' Compensation is provided to all employees.

Section 2. Employees may complete a "choice of doctor" form to be included in the personnel file.

Section 3. Employees who sustain work-related illnesses or injuries should report it to the Supervisor as soon as possible. A report showing the date of the incident, how it happened, name of the doctor visited, names of witnesses, and other information, should be filed with the County Clerk's office.

ARTICLE 28

COBRA

The federal Consolidated Omnibus Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the County's health plan when a "qualifying event" would normally result in the loss of eligibility. Some common qualifying events are resignation, termination of employment, or death of an employee; a reduction in an employee's hours or a leave of absence; an employee's divorce or legal separation, and a dependant child no longer meeting eligibility requirements.

Under COBRA, the employee or beneficiary incurs the full cost of coverage at the County's group rates plus an administration fee. The County provides each eligible employee with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under the County's health insurance plan.

For further information concerning COBRA contact the Otoe County Clerk's office.

ARTICLE 29

USE OF COUNTY PROPERTY

Section 1. Computer/E-Mail Use Policy. Any computer/E-mail system maintained by the County is granted as a privilege that may be revoked at any time. It shall never be used for inappropriate, unethical or illegal purposes, or in a way that may be harmful, disruptive or offensive to others.

There shall never be any display or transmission of sexually explicit images, messages, or cartoons or any transmissions or use of E-mail communications that contain ethnic slurs, racial epithets, or anything that may be construed as harassment or disrespectful of others based on their race, national origin, citizenship status, gender, sexual orientation, age, disability, marital status, religious or political beliefs.

The County's computer/E-mail system is to be used to further the business interests of the County only. All E-mail messages are the property of the County, which reserves the right to access and disclose all messages sent over its E-mail system for any purpose. For privacy reasons, employees shall not attempt to gain access to another employee's E-mail messages.

If you are permitted Internet access, you must limit your use to County business purposes only. You may not use the Internet for personal, commercial, or financial gain. The Internet, like the E-mail system, should never be used for inappropriate, unethical or illegal purposes, or in a way that may be harmful, disruptive or offensive to others.

Section 2. All county road employees shall, as part of their employment, be required to carry a cell phone and furnish said number to their supervisor. The County shall compensate the employee \$25 per month for carrying said phone.

Section 3. Otoe County property and equipment are to be used to pursue the business and public interest of the County and may not be used by employees for personal use.

ARTICLE 30

DRUG AND ALCOHOL POLICY

It is the County's desire to provide a drug-free, healthful, and safe workplace. To promote this goal, employees are required to report to work in appropriate mental and physical condition to perform their jobs in a satisfactory manner.

While on the County's premises and while conducting County-related activities off the County's premises, no employee may use, possess, distribute, sell or be under the influence of alcohol or illegal drugs. The County reserves the right to require employees to submit to searches or tests for the use of alcohol or illegal drugs. Any such testing will be performed in accordance with Nebraska statutes on drug and alcohol testing. The legal use of prescribed drugs is permitted on the job only if it does not impair an employee's ability to perform the essential functions of the job effectively and in a safe manner that does not endanger other individuals in the workplace. If you are under a physician's care and taking medication which may affect your ability to work safely, please discuss this matter with your Supervisor. If you are off duty and have been drinking or are under the influence of drugs you are obliged to refuse any emergency calls from the County.

Violations of this policy may lead to disciplinary action, up to and including termination of employment, and/or requiring participation in substance abuse rehabilitation or treatment program. Such violations may also have legal consequences.

Immediate termination will occur if in possession or under the influence of alcohol during work hours or if in possession or under the influence of illegal drugs at any time. There is no exception to this policy.
